10 years of

Grit & Growth

2021 marks our 10 year anniversary. In 2011 we planted a seed - our first summer program where youth could play, learn, and just “be.” Just like the rings of a tree, each year at Tree Street has led to new growth: a renovated and expanded building, innovative youth-centered programs and partnerships, and a thriving community of people working together to boldly shape the future. Our **growth** would not have been possible without **grit**: determination, resilience and courage to push through any and all challenges has been our hallmark.
